

FOOD SAFETY AND QUALITY POLICY

CITROFLAVOR, a producer of essential oils, is committed to:

- Grant the expectations of our customers;
- Manufacture quality products without risks to the health;
- Comply with legal requirements and requirements signed with customers, related to food safety and quality;
- Maintain communication channels with takeholders;
- Improve continuously our products, services and food safety management system;
- Ensure competence in food safety and quality of the people involved in the management system;
